**QUARTERLY ACTIVITIES REPORT  
FOR THE PERIOD ENDING 30 JUNE 2017**

---

The Board of Orca Energy Limited (Orca or the Company) provides the following commentary and Appendix 5B for the period ending 30 June 2017.

Last quarter, the Company advised that it had identified what it believed to be a suitable asset to acquire and in turn, begin the corporate process to have its shares re-admitted to trading. Unfortunately, while terms were agreed, the transaction did not proceed due to circumstances outside the control of Orca, with the vendor ultimately deciding on an IPO.

This was a disappointing outcome, however the Board remains committed to sourcing a high quality asset with its strong cash position, dedicated advisors and extremely supportive major shareholders.

While it continues in search of such an opportunity, the Company would like to thank all shareholders for their continued patience and hopes to present a transaction for consideration in the not too distant future.

For and on behalf of the Board

### Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 6: Exploration for and Evaluation of Mineral Resources and AASB 107: Statement of Cash Flows apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
