Dear Mr. Barcham,

Fin Resources Limited (ASX:FIN) – Price and Volume Query

We refer to your letter dated 30 December 2020 regarding recent increases in the Company's share price and volume of trading. We respond to the questions that you have raised as follows:

1. Is FIN aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

The Company is not aware of any information concerning it that has not been announced which, if known, could be an explanation for recent trading in the securities of the Company.

2. If the answer to question 1 is “yes”.

- a) Is FIN relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in FIN's securities would suggest to ASX that such information may have ceased to be confidential and therefore FIN may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.**

Not applicable.

- b) Can an announcement be made immediately? Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).**

Not applicable.

- c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?**

Not applicable.

3. If the answer to question 1 is “no”, is there any other explanation that FIN may have for the recent trading in its securities?

No, the Company does not have any other explanation for the price change or increase in volume of the securities.

4. Please confirm that FIN is complying with the Listing Rules and, in particular, Listing Rule 3.1.

The Company is in compliance with the listing rules and in particular, listing rule 3.1 relating to continuous disclosure and the requirement for immediate notice of material information.

5. **Please confirm that FIN's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of FIN with delegated authority from the board to respond to ASX on disclosure matters.**

The Company confirms that its response has been authorised and approved by officers of the Company that have delegated authority from the Board to respond to ASX disclosure matters.

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **1:00 PM AWST Wednesday, 30 December 2020**. You should note that if the

information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, FIN's obligation is to disclose the information 'immediately'. Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in FIN's securities under Listing Rule 17.1. - the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.
